## Harbor to Consolidate Services to Main Campus; New Hours Set Due to Coronavirus Concerns

Effective tonight at 10 p.m., The Harbor Juvenile Assessment Center will temporarily close its location on West Charleston Boulevard and consolidate all services to its campus at 861 N. Mojave Road to ensure the health of visitors and staff as a result of concerns about coronavirus.

Operational hours at the Mojave campus are reduced from 24 hours to 8 a.m. to 10 p.m. seven days a week. Additionally, The Harbor has temporarily suspended in-person services for the public; however, parents, caregivers, and community members seeking guidance with children are encouraged to call Harbor's phone number, (702) 455-6912, to receive assessments over the phone.

Law enforcement partners are still encouraged to route youth arrested in the community to The Harbor's Mojave location during its current operational hours.

Signs that youth may need help include depression, anxiety, drug use, isolation, bullying or changes in behavior.

The Harbor is committed to the safety and health of those who live within our community and remains dedicated to serving youth and families. We continue to monitor current conditions and recommendations from health officials and look forward resuming in-person services.

###

Clark County is a dynamic and innovative organization dedicated to providing top-quality service with integrity, respect and accountability. With jurisdiction over the world-famous Las Vegas Strip and covering an area the size of New Jersey, Clark is the nation's 13<sup>th</sup>-largest county and provides extensive regional services to more than 2.3 million citizens and 45.6 million visitors a year (2019). Included are the nation's 9<sup>th</sup>-busiest airport, air quality compliance, social services and the state's largest public hospital, University Medical Center. The County also provides municipal services that are traditionally provided by cities to 1 million residents in the unincorporated area. Those include fire protection, roads and other public works, parks and recreation, and planning and development.
